## P&C Meeting Summary

We were delaying news from the meeting due to awaiting DET confirmation about the move to the new school building, which we finally received today.

Thanks must go to Dan Sprange for strongly advocating on behalf of our school community to delay the move (there had been a tight timeline from the DET to release our temporary school buildings to other projects around Sydney) to the school holidays, which will cause less disruption to our children and their fantastic teachers. Thank you Dan!

## Executive Team

Meet our executive team who have already been working hard to get projects up and running, such as the database and yearbook

- Vice President - Liz Maniscalco (Lachie 4/5N and Georgie 1/2F)
- Vice President - Narelle Horton (Emily 3/4T and April 1/2MY)
- Treasurer - Amando Buenaventura (grandfather of Priya 5/6N)
- Secretary – Lindsay Springall (Charlotte 3/4 and James)

Thanks also to those who have put their hands up for Sub-Committee Roles in 2019.

## Term 1, February 2019

Welcome to the first newsletter of the year, I hope you've all had a great start to Term 1 and an extra special welcome to all of our new Kindy families.

## Thank you

Thank you to Robin Mitchell (grandparent to Tommy and Chloe Fish) who gave our parents an illuminating workshop on Strengths-Based Parenting. The air conditioning struggled on a hot night but it had no effect on the parents enjoyment and enthusiasm for the content, and due to the positive feedback received we may look at running further workshops during the year. Thank you Robin!

A huge thank you also to Caroline Bone whose business **Bay Talk** ([baytalk.com.au](http://baytalk.com.au)) sponsored the purchase of sunsmart sunglasses for all new Kindy students at Russell Lea. Thank you Caroline!
